INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment  
 Commissioner for Patents  
 P.O. Box 1450  
 Alexandria, VA 22313-1450

Sir:

As a means of complying with the duty of disclosure under 37 CFR 1.97 and 1.98, applicants submit a "List of References Cited by Applicant" on a modified PTO-1449 form. Applicants have enclosed copies of references not previously submitted. Copies of the other cited references are not included as they were previously submitted in application serial number 09/616,530, filed July 14, 2000, which is relied upon for an earlier filing date under 35 U.S.C. § 120. Please acknowledge receipt of this Information Disclosure Statement (IDS) and kindly make the cited references of record in the above-identified application.

The information disclosure statement submitted herewith is being filed within three months of the filing date of the application or date of entry into the national stage of an international application or before the mailing date of a first Office action on the merits, or before the mailing of a first Office action after the filing of a request for continued examination under section 1.114, whichever event occurs last. 37 CFR 1.97(b).

Applicants request consideration of this information and passage of the application to issue. Since this IDS is being filed before the mailing of the first Office Action on the merits, no fee under 37 CFR 1.17(p) is believed to be required. However, should it be determined that a fee is necessary, Applicants authorize the Commissioner to charge Applicants' deposit account no. 09-0089 in an amount necessary to permit consideration of this Information Disclosure Statement.
